

THE SIR PRIZE

Santa Lucia Branch #89 May 2008

Big Sir Report: By Hugh Campbell

Hi Sir's, a couple of reminders. One of these monthly luncheons, between now and the end of the year, will be a free-bee! So keep showing up for I don't want you to miss out on your free-bee. Also our Sir's picnic will be in June so don't forget to send in your reservations and a check. Also I want to welcome our two new members, Gary Crawford and Joe Gauthier, to branch #89. If any of our members didn't introduce themselves at the April luncheon please do so next month. See you all May 14th. SIR HAPPENINGS for May is now available at <http://sirinc.org>.

Little Sir Report: By Bob Earl

First I want to thank Nate Johnson for taking these photos for us to put in the bulletin. He is doing a great job that I'm sure everyone appreciates. Photos speak loudly and after listening to our April speaker, we can see the improvement they make in a document. Thanks, again, Nate. We only need 15 more photos to have our entire membership with a photo. Our May speaker will be Marv Grim, retired former Hartnell football coach and Athletic Director. Marv coached the football team when they were a powerhouse in the Coast Conference in the 80's & 90's. He was a terrific motivator and recruiter. It was brought to my attention that the new members are not aware of our early board meetings and the BBQ's that we have. In the future I think we will start having a question & answer session during our general membership meeting to bring everybody up to date with what is happening with our branch. In addition, I will start posting our treasurer's report. Look for that on the back of this page. Two reminders are in order this month. Don't forget to send in your check & reservation for our BBQ in June and please do not forget Mother's Day on May 11.

Golf: By Bob Earl

The golf gods were out in force at Rancho Canada East on April 10. Eleven members entered the fray with **Bob Romo** shooting lights out with a **scratch 78 and net 61**. Great shooting, Bob. Cary Tremewan came in second with a nice 65 net. Yours truly was third with a net 67. Others attending were Jim Westphal, Hugh Campbell, Nate Johnson, Bruce Adams, Irv Bender, Jim Brown, Ed Gularte and George McCrobie. The weather was great and a good time was held by all. Next month will be at Salinas Fairways on May 15. SIR Area 21 individual stroke play tournament at Carmel Valley Ranch is coming up on June 3. Entry deadline is May 29.
