Attendance Rules: Regular members missing meetings for three (3) consecutive months without notifying the Attendance Committee with a valid reason, or attending fewer than six (6) meetings over a twelve month period, may have their membership terminated following notification by letter of unsatisfactory attendance. Certified attendance at another SIR Branch counts for the purpose of satisfying these rules.

Can't make the meeting? Call Bruce Adams 484-9432 or Vic Lanini 675-3503

Big SIR Jim Mills sez:

WOW! The world is being challenged again with this Virus and I personally have never seen anything like what is happening right now. I hope and pray that all of the SIR's, family and friends are well and healthy and getting the help you need to stay well. As you all know all of SIR's activities are cancelled or postponed for the near future. When the State Chairman clears us to get back to our regular activities we will let everybody know, then we can carry on as normal. Also, make sure your mental health is taken care of as well. Stay busy, stay healthy, stay well!! I hope to be back together with all of you very soon!

Menu for April 8: Mashed potatoes and brown gravy, green beans, fruit, salad, dessert & coffee

Little Sir Jim Brown sez:

I hope this finds you all well. This virus is changing the way we do things, but rest assured it will pass. I can't wait till we can go back to our meeting and golf. I have decided not to shave until this virus is gone, so I hope the virus is gone soon. Be safe, hope to see you soon.

Speaker for April

This is a limited edition of our newsletter put together rather quickly. I figured some news would be better than no news.

Stay healthy, stay safe, stay home.

A Little Humor.....The First Profession

A physician, an engineer, and a politician were discussing who among them belonged to the oldest of the three professions. Each one of them thought they had this in the bag.

The physician said, "Remember, on the sixth day God took a rib from Adam and fashioned Eve, making him the first surgeon. Therefore, medicine is the oldest profession."

The engineer replied, "But, before that, God created the heavens and earth from chaos and confusion, and thus he was the first engineer. Therefore, engineering is an older profession than medicine."

Then, the politician spoke up. "Yes yes, this is all well and true." he said "But who do you think created all of the chaos and confusion?"
