Big SIR Jim Mills sez:

Due to the continuing virus issue I think it would be wise to cancel the June BBQ. I don't think that sitting 6 feet apart and wearing masks and trying to enjoy the day would be worth the risk. Also, the ages of the members is a concern, and the money that would be spent on food if we don't get a decent turnout. I also spoke to Bruce Adams for his advice and he agreed with me about cancelling the BBQ. I also spoke to John Grider who spoke to Ramona at the Posse grounds and she said all events will be canceled until further notice. That pretty much seals our fate. We will keep the September date and see what happens between now and then. That is the latest news for now. Stay safe, stay healthy and stay home.

Our BBQ at the Posse Grounds has been canceled.

Little Sir Jim Brown sez:

Hi Sirs: Hopefully you are all well. Can't wait to see you all when our meetings start again. I don't know how normal it will be until we get used to any changes, due to covid19. The golf courses will open soon. We will be playing as groups again. I'll be glad to see that! Looking forward to seeing you.

A Little Humor.....REALLY?

*A man boarded an airplane and took his seat. As he settled in, he glanced up and saw the most beautiful woman boarding the plane.
He soon realized she was heading straight towards his seat.
As fate would have it, she took the seat right beside his.
Eager to strike up a conversation, he blurted out, "Business trip or pleasure?"
She turned, smiled and said, "Business. I'm going to the Annual Nymphomaniacs of America Convention in Boston."
He swallowed hard.
Here was the most gorgeous woman he had ever seen sitting next to him, and she was going to a meeting of nymphomaniacs.
Struggling to maintain his composure, he calmly asked, "What's your business role at this convention?"
"Lecturer," she responded.
"I use information that I have learned from my personal experiences to debunk some of the popular myths about sexuality."
"Really?" he said.
"And what kind of myths are there?"
"Well, she explained, "One popular myth is that African-American men are the most well-endowed of all men, when in fact it is the Native American Indian who is most likely to possess that trait."
"Another popular myth is that Frenchmen are the best lovers, when actually it is men of Jewish descent who are the best."
"I have also discovered that the lover with absolutely the best stamina is the Southern Redneck."
Suddenly the woman became a little uncomfortable and blushed. "I'm sorry," she said, "I shouldn't really be discussing all of this with you. I don't even know your name..."
"Tonto," the man said,
"Tonto Goldstein, but my friends call me Bubba."*
