## Big SIR Jim Mills sez:

*"As of this writing it is March 6th and the start of a new month. Here are some updates. I spoke with the new area gov. for our branch and he tells me that the State want to start have meetings this June and I told him that*

*Monterey County has the highest rating as far as infections per 100 people. Our area has been slow in receiving the vaccines to be put into peoples arms, so with that being said I am still hoping to have a BBQ this September if it is safe and if our members feel comfortable with attending the BBQ at the Posse Grounds. I will not put our members in harms way for a lunch! We will have to wait and see what happens between now and September. One item I need to put out for thought is that the current Little Sir, Jim Brown, is going to have to resign the Little Sir position, not leaving the group though, and out current Treasure Al Bowman is moving out of state soon. With that being said, we need the members of this branch to step up and get involved! I would appreciate a few members to come forward and help our branch continue. I want to Thank Jim Brown for volunteering to be Little Sir and Al Bowman for being our Treasure for quite a few years and I Thank Al also! It is a must for members to step up and fill these positions if we want to keep our branch going forward and get some fresh ideas on activities for our branch. That is it for now and again, stay home, keep your distance and wear a mask!*

**Menu for March 10: TBD**

## Little Sir Jim Brown sez:

*I hope all is well with you and your families. Help is on the way. The vaccine is now available for most of us. If you call 211 they can tell you where to schedule an appointment to get the vaccine. Hope to see you all soon.*

*A cop stops a car for traveling faster than the posted speed limit. Since he's in a good mood that day he decides he might give the fellow a break and write him out a warning instead of a ticket. So, he asks the man his name. "Fred," the driver replies. "Fred what?" the officer asks. "Just Fred," the man responds. When the officer presses him for a last name, the man tells him that he used to have a last name but lost it. The officer thinks he has a mental case on his hands but he has a long shift ahead and he's bored, so he goes along with it. "Tell me Fred, how did you lose your last name?" The man replies, "It's a long story so stay with me. I was born Fred Dingaling. I know, funny last name. The kids used to tease me all the time. So I stayed to myself. I studied hard and got good grades." "When I got older I realized that I wanted to be a doctor. I went through college medical school, internship, residency, finally got my degree so I was Fred Dingaling, MD." "After a while I got bored being a doctor so I decided to go back to school. Dentistry was my dream. Got all the way through school, got my degree so I was now Fred Dingaling, MD, DDS. Got bored doing dentistry so I started fooling around with my assistant. She gave me VD. So, I was Fred Dingaling, MD, DDS with VD." "Well, the ADA found out about the VD so they took away my DDS so I was Fred Dingaling MD with VD." "Then the AMA found out about the ADA taking away my DDS because of the VD, so they took away my MD leaving me as Fred Dingaling with VD." Then the VD took away my dingaling . So now... I'm just Fred." The officer walked away in tears, laughing.*
